U.S. Environmental Protection Agency
FOIA REQUEST
SUBMITTED ELECTRONICALLY

Dear Freedom of Information Officer,

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 et seq. ("FOIA"), I request access to and copies of:

- A copy of a letter purportedly from Marion Copley, dated March 4, 2013, addressed to "Jess"
- This letter may have been received by the U.S. Environmental Protection Agency in January or February 2016, or January or February 2017, relating to the registration review of glyphosate and the Cancer Assessment Review Committee (CARC)
- A copy of the envelope containing this letter, indicating the return address, date stamp, or other similar information on the outside of the envelope.
- A copy of any tracking, receipt, or other logging records in possession of the Agency with respect to this letter.
- This letter may have been sent to, or may be in possession of, EPA's Office of Chemical Safety and Pollution Prevention, Office of Pesticide Programs, Health Effects Division; I request that EPA identify and produce all responsive records from any EPA office where such records may be found.

I am requesting that the Records be provided to me on computer files or, if not maintained on computer files, in the same format as they are currently maintained at the EPA.

I am a reporter for Bloomberg News, an accredited news-gathering organization, and I request the Records to inform the public about matters of public concern. As a representative of the news media, I am only required to pay for the direct cost of duplication after the first 100 pages. Please waive all applicable fees. In the event a fee waiver is not granted, I agree to pay reasonable fees including actual costs up to \$250. Please contact me if you expect costs will exceed this amount.

I request that these materials be subject to expedited processing: Bloomberg News is engaged in the dissemination of information to the public and the subject matter related to this request – the integrity of government in evaluating the cancer-causing potential of a widely used chemical available for sale to U.S. consumers – is a matter of great public interest, debate, and urgency. I certify that my statements concerning the need for expedited processing are true and correct to the best of my knowledge and belief.

BLOOMBERG, BLOOMBERG PROFESSIONAL, BLOOMBERG MARKETS, BLOOMBERG NEWS, BLOOMBERG ANYWHERE, BLOOMBERG TRADEBOOK, BLOOMBERG BONDTTRADER, BLOOMBERG TELEVISION, BLOOMBERG RADIO, BLOOMBERG PRESS and BLOOMBERG.COM are trademarks and service marks of Bloomberg Finance L.P., a Delaware limited partnership, or its subsidiaries. The BLOOMBERG PROFESSIONAL service (the "BPS") is owned and distributed locally by Bloomberg Finance L.P. (BFLP) and its subsidiaries in all jurisdictions other than Argentina, Bermuda, China, India, Japan and Korea (the "BLP Countries"). BFLP is a wholly-owned subsidiary of Bloomberg L.P. ("BLP"). BLP provides BFLP with all global marketing and operational support and service for these products and distributes the BPS either directly or through a non-BFLP subsidiary in the BLP Countries.

FOIA requires that your agency respond to this request for information within 20 business days of receipt of this letter. This request is segregable, and your agency may not withhold entire records because of one section that you believe is exempt from disclosure. Under federal law, if you choose to withhold any such parts of the records from disclosure, you must specify in a written response the factual and legal basis doing so.

Please contact me if I may assist in your office's response. As I am a journalist and the information is of timely value, please contact me via telephone or email if there are ways to speed up fulfillment of the request.

Thank you for your assistance.

Sincerely,
Lydia Mulvany
